**Forbush High School**  
1525 Falcon Rd. | East Bend, NC 27018 | (336) 551-1140

Parents and Students -

I look forward to working with you this year! As the College & Career Advisor, I will be assisting students as they make plans for after graduation. We will discuss their career goals and interests and then develop a course schedule to help them reach those goals. As students become juniors or seniors, they may have their choice of taking classes at FHS, online, or at Surry Community College. We have a great partnership with SCC, and students will get to experience college-level classes while still in high school. It is an exciting opportunity and an exciting time to be a Falcon!
